Sec. 3. The Washoe Tribal Council shall have the power to promulgate ordinances, subject to review by the Secretary of the Interior, governing enrollment procedures, loss of membership, and the adoption of honorary members.

Members of the Washoe Tribe who reside in or on any of the recognized Washoe communities or colonies represented on the Washoe Tribal Council shall be permitted to be enrolled as residents of these communities or colonies. As enrollees they may receive the benefits and privileges that accompany such enrollment without losing their membership eligibility with the Washoe Tribe or forfeiting any rights they may be entitled to as members of the Washoe Tribe.

The ninth member of the Washoe Tribal Council shall be an adult member of the Washoe Tribe who is not a resident of one of the communities or colonies. If the office is vacated by a representative of one of the community councils, that community council shall appoint a successor to fill the unexpired term. If the Reno-Sparks Colony representative's seat shall become vacant, the Washoe residents of that Colony shall appoint a new representative to fill the unexpired term. In the case of the "non-affiliated" representative, or a tribal officer not in one of the above categories, the Washoe Tribal Council shall appoint the successor. All vacancies shall be filled within 30 days from the date they are vacated.

Sec. 2. Any Washoe Tribal Council member or tribal officer may be expelled from office by a two-thirds vote of the Washoe Tribal Council members if, in their opinion, he is guilty of improper conduct or gross neglect of duty; provided, that the accused is given full opportunity to reply to any and all charges at a designated Washoe Tribal Council meeting, and provided further, that the accused shall have been given a written statement of the charges against him at least five days before the meeting set for his hearing.

Section 1. Enumerated Powers - The Washoe Tribal Council shall exercise the following powers, subject to any limitations imposed by the Statutes or the Constitution of the United States.

(g) To create and regulate subordinate organizations for economic and public purposes and to delegate to such organizations, or to any subordinate boards, officials of the tribe, or to the community councils, any of the foregoing powers, reserving the right to review any action taken by virtue of such delegated power.

(h) To adopt resolutions not inconsistent with this constitution and bylaws, regulating the procedure of the Washoe Tribal Council itself and of other tribal agencies, tribal officers, or tribal organizations of the Washoe Tribe of Indians, and exercising such duties as are conferred upon the Washoe Tribal Council by the attached bylaws.

(i) To prepare an annual budget and appropriate available tribal funds for public purposes, subject to the approval of the Secretary of the Interior. Thirty (30) days prior to the Washoe Tribal Council's submission of the tribe's annual budget, the community councils shall submit their proposed budgets to the Washoe Tribal Council for review.

Sec. 2. Future Powers - The Washoe Tribal Council may exercise such further powers as may in the future be delegated to the Washoe Tribal Council by members of the tribe or by the Secretary of the Interior or any other duly authorized official or agency of the State or Federal Government.

Sec. 3. Reserved Powers - Any rights and powers heretofore vested in the Washoe Tribe but not expressly referred to in this constitution shall not be abridged, but may be exercised by the people of the Washoe Tribe through the adoption of appropriate constitutional amendments.

Sec. 4. Manner of Review - Any resolution or ordinance which, by the terms of this constitution, is subject to review by the
Secretary of the Interior, shall be presented to the Superintendent of the reservation, who shall, within ten (10) days thereafter, approve or disapprove the same.

If the Superintendent shall approve any ordinance or resolution, it shall thereupon become effective, but the Superintendent shall transmit a copy of the same, bearing his endorsement, to the Secretary of the Interior, who may within ninety (90) days from the date of its receipt, rescind the said ordinance or resolution for any cause by notifying the Washoe Tribal Council of such decision.

If the Superintendent shall refuse to approve any ordinance or resolution submitted to him he shall advise the Washoe Tribal Council of his reasons therefor. If these reasons appear to the Washoe Tribal Council insufficient, it may, by a majority vote, refer the ordinance or resolution to the Secretary of the Interior, who may within ninety (90) days from the date of its receipt by him, approve the same in writing, whereupon the said ordinance or resolution shall become effective.

ARTICLE VII - POWERS OF THE COMMUNITY COUNCILS

Section 1. Through the adoption of Articles of Association approved by the Washoe Tribal Council, the community councils established at Woodfords, the Dresslerville Colony, and the Carson Colony shall make every effort to improve the welfare and protect the interests of the residents of their respective communities.

Sec. 2. All powers not now or in the future expressly reserved for or delegated to the Washoe Tribal Council may be exercised by the community councils in accordance with their Articles of Association and this constitution, and subject to all limitations imposed by the Statutes and Constitution of the United States; provided: That the Washoe Tribal Council reserves the right to veto an action of the community councils which, in the opinion of the Washoe Tribal Council, is not in the best interest of the local residents or the Washoe Tribal membership as a whole, and provided further: That such veto action must be taken within 60 days from the date of the community council's action.

ARTICLE VIII - TRIBAL LANDS

Section 1. Allotted lands, including heirship lands, held in trust by the United States for members of the Washoe Tribe, shall
continue to be held as heretofore by their present owners. The right of the individual Indian to hold or to part with his land, as under existing law, shall not be abrogated by anything contained in this constitution, but the owner of restricted land may with approval of the Secretary of the Interior, voluntarily convey his land to the Washoe Tribe, either in exchange for a money payment or in exchange for standard assignment covering the same or other land, as hereinafter provided.

Sec. 2. The unallotted lands of the Washoe Tribe of Indians and lands which may hereafter be acquired by the Washoe Tribe of Indians or by the United States in trust for the Washoe Tribe of Indians shall be held as tribal lands. Tribal lands shall not be allotted to individual Indians but may be assigned to members of the Washoe Tribe, or leased, exchanged for other lands of equal value, or otherwise used by the tribe, as hereinafter provided.

Sec. 3. Tribal lands may be leased by the Washoe Tribal Council with the approval of the Secretary of the Interior, for such periods of time as are permitted by law. The following provisions shall govern:

(a) In the leasing of tribal lands, preference shall be given first to Indian cooperative associations, and secondly, to individual Indians who are members of the Washoe Tribe.

(b) Non-members enjoying tenure on Washoe tribal lands on the date of approval of this amended constitution shall be given the opportunity to lease the land they presently occupy and use, in accordance with the regulations established by the Secretary of the Interior; provided, that these provisions shall not affect existing approved lease contracts.

Persons in this category who do not choose to lease the tribal land will be given 120 days from the date of notification by the Washoe Tribal Council to remove all improvements. At the end of the 120 day period any improvements not removed will become tribal property.

(c) With the exception of those persons provided for in (b) above, no lease of tribal land to non-members shall be made by the Washoe Tribal Council unless it shall appear that no Indian cooperative association or individual member of the tribe is able and willing to use the land and to pay a reasonable fee for such use. The Washoe Tribal Council, in considering any such lease of tribal land upon a Washoe Colony, shall consider the recommendations of the respective community councils.
(d) Grazing permits covering tribal land may be issued by the Washoe Tribal Council, with the approval of the Secretary of the Interior, in accordance with the Secretary's Rules and Regulations.

Sec. 4. In any assignment of tribal lands preference shall be given first to members of the tribe who are heads of families and are entirely landless, and, secondly, to heads of families who have received assignments consisting of less than an economic or useable unit.

Assignments made under this section shall be for the primary purpose of establishing homes for landless Washoe Indians, and shall be known as Standard Assignments.

Sec. 5. If any members of the tribe holding a Standard Assignment of land shall, for a period of one year, fail to use the land so assigned, the assignment may be cancelled by the Washoe Tribal Council after due notice and an opportunity to be heard, and the said land may be reassigned in accordance with the provisions of Section 4 of this Article.

Upon the death of any Indian holding a Standard Assignment, his heirs or other individuals designated by him, by will or by written request, shall have preference in the reassignment of the land, provided such persons are members of the Washoe Tribe who would be eligible to receive a Standard Assignment, except that where the heirs include minors who are eligible for membership in the Washoe Tribe, a surviving parent or guardian, regardless of whether or not they themselves are eligible for membership, may receive the assignment on behalf of the minors.

Sec. 6. All applications for assignment of tribal land shall be filed with the Secretary of the Washoe Tribal Council. Applications from residents of Woodfords, the Dresslerville Colony, and the Carson Colony shall be accompanied by a written recommendation from the respective community councils. All applications shall be filed and processed in accordance with an assignment ordinance enacted by the Washoe Tribal Council and reviewed by the Secretary of the Interior.

ARTICLE IX - REFERENDUM, INITIATIVE & RECALL

Section 1. Referendum - The Washoe Tribal Council shall, upon receipt of a petition signed by at least 150 eligible voters of the Washoe Tribe, submit any enacted or proposed ordinance or resolution
to a referendum of the eligible voters. The decision of a majority of the voters voting in the referendum shall be binding on the Washoe Tribal Council; provided, that at least 30% of those entitled to vote shall vote in the referendum. The Washoe Tribal Council shall call and hold the referendum within 30 days from the date of receipt of a valid petition; and shall prescribe the manner in which it is to be conducted.

Sec. 2. Initiative - The members of the Washoe Tribe reserve the power to propose tribal legislation. Any proposed initiative measure shall be presented to the Washoe Tribal Council accompanied by a petition signed by not less than 150 eligible voters of the Washoe Tribe. Upon receipt of such petition, the Washoe Tribal Council shall within 30 days thereafter call and hold a special election for the purpose of allowing the members of the tribe to vote on the initiative measure. The decision of a majority of the voters voting in such election shall be binding on the Washoe Tribal Council, provided that at least 30% of those entitled to vote shall vote in the referendum.

Sec. 3. Recall - (a) A member of the Washoe Tribal Council who is representing Woodfords, the Dresslerville Colony, or the Carson Colony may be recalled from the Washoe Tribal Council by the residents of his or her respective colony or community, or by a majority vote of the members of his community council. The residents of those communities or colonies may recall one or all of their Washoe Tribal Council representatives by presenting a petition, signed by a majority of the eligible voters of the colony or community, to the community council. This petition shall state the complaint against their representative and shall ask for his or her recall from office. Upon receipt of a valid petition, the community council shall act to recall the accused. A person recalled from the Washoe Tribal Council is not by this action automatically recalled from his seat on the community council.

(b) The Washoe Tribal Council member representing the Reno-Sparks Colony may be recalled by the eligible voters of the tribe who are residents of the Reno-Sparks Colony. They may accomplish a recall by requesting recall action from the Washoe Tribal Council in a petition signed by a majority of the eligible Washoe voting residents.

(c) The "non-affiliated" representative on the Washoe Tribal Council may be recalled from office by a majority of the eligible
voters of the Washoe Tribe who vote in a special election called for this purpose by the Washoe Tribal Council. The Washoe Tribal Council shall call this election upon receipt of a petition, signed by 150 eligible voters of the Washoe Tribe, stating the complaint against this representative and requesting the special election.

ARTICLE X - AMENDMENTS

Section 1. This amended constitution and bylaws may be further amended by a majority of the qualified voters of the Washoe Tribe voting in an election called for that purpose by the Secretary of the Interior, provided that at least thirty (30) percent of those entitled to vote shall vote in such election. No amendment shall become effective until it shall have been approved by the Secretary of the Interior.

Sec. 2. It shall be the duty of the Secretary of the Interior to call an election on any proposed amendment upon receipt of a petition signed by at least twenty-five (25) percent of the eligible voters of the Washoe Tribe, or upon receipt of a request for an election signed by two-thirds of the Washoe Tribal Council.

ARTICLE XI - BILL OF RIGHTS

All members of the Washoe Tribe shall have equal rights, equal protection, and equal opportunity to participate in the economic resources, tribal assets, and activities of the Washoe Tribe. No member of the Washoe Tribe shall be denied any of the constitutional rights or guarantees enjoyed by other citizens of the United States, including but not limited to freedom of religion, speech, and conscience; and the right to orderly association or assembly; the right to petition for action on the redress of grievances; and due process of law.
